

THE HALBERT CENTRE FOR CANADIAN STUDIES

Announce

The Halbert Centre bi-annual Post-Doctoral Fellowship in Canadian Studies

STUDY AT UNIVERSITIES IN CANADA
FOR FELLOWSHIPS COMMENCING FALL 2016

INSTRUCTIONS:

The Halbert Centre Post-Doctoral Fellowship is open to students who graduated from the Hebrew University of Jerusalem who will submit their Ph.D. by August 31st, 2016 or have completed their doctoral dissertation no more than three years prior to the submission. The fellowship grant offered is up to 35,000 Canadian dollars.

Your application for the Halbert Center Post-Doctoral Fellowship in Canadian Studies must include all relevant documentation listed below (items 1 to 6). These documents should be submitted together as one application package. The application package must be received no later than **February 22, 2016**.

Please address the application package to:

mscanada@mail.huji.ac.il

Your application will be judged according to the following criteria:

- Overall academic excellence
- Specific Canadian content and reasons for choosing a university in Canada as your post-doctoral venue
- A letter of invitation from an academic sponsor in your field at the Canadian university.
- Completion of doctoral dissertation no more than **three years** prior to the submission of the fellowship request

Please note: priority will be given to candidates who have not yet had a post-doctoral fellowship.

DOCUMENTS TO INCLUDE:

1. Application Form

The application form is found below. For the proposal abstract, you may find it convenient to cut and paste from your word processor.

2. Detailed Program of Work

a. Your program of work should not exceed **1,500 words in Times New Roman, 12 point font, and 1.5 spacing**. Each page should be numbered consecutively and include your name and “Halbert Center Post-Doc Fellowship” at the top right-hand corner. The proposal should be written for general academic readers and not for specialists in your field.

b. Your detailed **program of work** should describe:

- Abstract of about 250 words
- Research topic and the relevant literature review
- The research questions and goals of the proposed research
- the questions and goals of the proposed research
- The methodology you intend to use (sample, data gathering method, data analysis plans) the way in which the project fits into the existing literature
- The potential contribution of the project
- The proposed strategy for the dissemination of your research.
- The distinction between the current project and the PhD dissertation
- If the research involves human subjects (e.g. interviews, questionnaires) be sure to include a letter of clearance from the relevant ethical committee.

3. **Bibliography**

Your bibliography should not exceed **two pages** in **Times New Roman**, 12-point font and 1.5 spacing. You need only include those works most relevant to your research project.

4. **Three Letters of Reference**

Each letter must be in a separate envelope that is signed and sealed by the referee. One of the letters of reference must be from your dissertation supervisor.

5. **Current Curriculum Vitae — no more than two pages in length**

6. **Original Graduate Transcript**

Please include a current transcript from all universities in which you have done your graduate (M.A. and Ph.D) work.
