

THE HALBERT CENTRE FOR CANADIAN STUDIES

is pleased to announce

**The Halbert Centre bi-annual Post-Doctoral  
Fellowship in Canadian Studies**

STUDY AT UNIVERSITIES IN CANADA  
FOR FELLOWSHIPS COMMENCING FALL 2018

**INSTRUCTIONS:**

The Halbert Centre Post-Doctoral Fellowship is open to students who graduated from the Hebrew University of Jerusalem and will submit their Ph.D. by August 31, 2018, or have completed their doctoral dissertation no more than three years prior to the submission. The fellowship grant offered is up to 40,000 Canadian Dollars.

Your application for the Halbert Center Post-Doctoral Fellowship in Canadian Studies must include all relevant documentation listed below (items 1 to 6). These documents should be submitted together as one application package. The application package must be submitted to the Halbert Centre no later than **February 22, 2018**.

Please address the application package to the Halbert Centre's Administrative Coordinator, Diana Munayer:

mscanada@mail.huji.ac.il

Your application will be judged according to the following criteria:

- Overall academic excellence
- Specific Canadian content and reasons for choosing a university in Canada as your post-doctoral venue
- A letter of invitation from an academic sponsor in your field at the Canadian university.
- Completion of doctoral dissertation no more than **three years** prior to the submission of the fellowship request

*Please note: priority will be given to candidates who have not yet had a post-doctoral fellowship.*

**DOCUMENTS TO INCLUDE:**

**1. Application Form**

The application form can be found on the Halbert Centre's website <http://canadianstudies.huji.ac.il/> under Grants and Scholarships. For the proposal abstract, you may find it convenient to cut and paste from your word processor.

**2. Detailed Program of Work**

a. Your program of work should not exceed **1,500 words in Times New Roman, 12 point font, and 1.5 spacing**. Each page should be numbered consecutively and include your name

and “Halbert Center Post-Doc Fellowship” at the top right-hand corner. The proposal should be written for general academic readers and not for specialists in your field.

b. Your detailed **program of work** should include:

- Abstract of about 250 words
- Research topic and the relevant literature review
- The research questions and goals of the proposed research
- the questions and goals of the proposed research
- The methodology you intend to use (sample, data gathering method, data analysis plans)
- The way in which the project fits into the existing literature
- The potential contribution of the project
- The proposed strategy for the dissemination of your research.
- The distinction between the current project and the PhD dissertation
- If the research involves human subjects (e.g. interviews, questionnaires) be sure to include a letter of clearance from the relevant ethical committee.

### 3. **Bibliography**

Your bibliography should not exceed **two pages** in **Times New Roman**, 12-point font and 1.5 spacing. You need to include only those works most relevant to your research project.

### 4. **Three Letters of Reference**

Each letter must be sent separately by the referee to [mscanada@mail.huji.ac.il](mailto:mscanada@mail.huji.ac.il). One of the letters of reference must be from your dissertation supervisor.

### 5. **Current Curriculum Vitae — no more than two pages in length**

### 6. **Original Graduate Transcript**

Please include a current transcript from all universities in which you have done your graduate (M.A. and Ph.D.) work.
